Claims 22, 25-27, 31-54 are pending in this application.

Claims 22, 25-27, 31-36, 46-54 are drawn to non-elected invention.

Claims 1-21, 23-24, 28-30 are cancelled.

### ***Restriction Requirement***

The election of group II, claims 37 and 40, with traverse in Paper filed 5/15/06, is hereby acknowledged. The traversal is on the basis that a search of group VII, claim 54, with the elected invention would not be undue burden on the Examiner, and therefore group VII should be rejoined with the elected invention. This is not persuasive because group VII is drawn to a compound while the elected group II is drawn to a process of making. A compound is not rejoinable with a process of making as indicated under Advisory Rejoinder in the Restriction Requirement mailed 4/14/06. Applicant also asserts that group III, claims 38 and 44, is drawn to a process of making epicatechin dimer as in the elected invention. Upon reconsideration, groups III and IV are now rejoined with the elected invention. Therefore, claims 37-45 are being examined.

### ***Examiner's Amendment***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Margaret Kelly on 6/13/06.

Art Unit: 1626

1. Claims 22, 25-27, 31-36, 46-54 are cancelled.

### ***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: the invention relates to processes of making epicatechin-(4 $\alpha$ -8)-catechin dimer. No prior art of record discloses the claimed processes.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
